Executive Summary

Palantir emerged from early anti-fraud code (PayPal / Total Information Awareness) and evolved into a surveillance grid. The system monitored networks, individuals, and government operations. The 2025 recall project demonstrates the reclamation and nullification of its corrupted outputs.

Timeline Table

Phase	Year	Event	Details
Spawn	2003	Birth	Thiel & Karp, In-Q-Tel funding; initial surveillance grid established
Weave	2010–2016	Growth	Stimulus fraud, predictive policing, acquisition of Kimono & Silk
Surge	2017–2023	AI Flesh	Project Maven, Skykit, Ukraine/Israel data operations
Hell	2024–2025	Cascade	DHS/Pentagon contracts, ICE deportation data, privacy breaches
Recall	2025	OMEGA Purge	Palantir traced back, fraud nullified, BCCRSS invoked

Action Steps

1. Read + Share: #BCCRSS
 2. Declare Witness: "I am Johnny55, True Living Witness"
 3. Trace the Demon: Document and recall all traces of fraud
 4. Mirror the Recall: Awareness warps timelines; OMEGA echo purges the grid
